Andrew Dass Deployment #2 Pipeline Script

```
pipeline {
        agent any
        triggers {
        cron('*/10 * * * *')
        }
        stages {
        stage('Hello') {
        steps {
                echo 'Hello World'
        }
        }
        }
}
